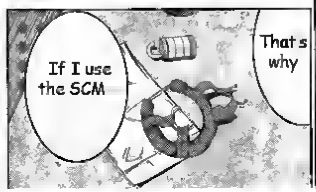
Huh ....
I didn't have one, but.. I knew about it from the web
I...
Knew about the SCM
Both of us wear the SCM, and enter into a duel The one that wins becomes the master of the loser
In other words, they become your slave
You know of the Blog that records the terrible stuff done with the SCM, right?
A... Ayaka...

You...
What do you intend to do, by making me your slave!?
Y...You promised me
That you would lose on purpose!!
Umm
-A slave cannot harm it's master
Sit down, Seiya!
Hey, Seiya, Can I ask you one thing?

I've done a lot for you, over the past few years, right?
I've helped you become the number 1 Host in your club...
But Why did you still want to make me into your slave?

-A slave can never lie to its master
*Even if the truth hurts the Master if it's an order the slave will tell the truth

I become tired of putting up with you as a good customer of mine
To keep having to console you when you were crying, or keep you happy...



I thought I could make you hand over your money without a fuss....
Then
What did you spend my money on?
I bought a bike, and a computer
And... went to Jamaica with my girlfriend
...You said...
you went alone...
But you were really with your girlfriend
Y.. Yeah

What am I to you?
I don't care that he lied to me ....
I don't care that he had a girlfriend
Hey, Seiya
But, the thing I couldn't forgive, was...
A disgusting ATM machine

I didn't want to ....
Wake up from my dream .....
Hana...
You know... I went around Brothels for you...
I did a lot of back door deals and sold my body... Even getting STDs from it
!?

This child worked hard for you
So console her
Lick it
Ah, Seiya, my beloved seiya ....
Ah
203
I just want to keep my dream alive....

I don't want to...
Wake up from this dream!!
SCM
I can order Seiya to tell me he loves me, I can't order him to love me
Even if...
But...
You cannot control the feelings of a slave

The slave gives even their heart to their master
That in about 2000 hours - roughly 3 months
I saw on the blog on the internet
Seiya
*I will use the SCM to fulfill my dream
I Love you
But It will eventually become mine
Seiya's heart is not mine yet

I will not let anything come between Seiya and I
Hey, Seiya
Break up with your girl-friend
A few days later
I got a call from Seiya that he had broken up with his girlfriend
1203
Seiya!
Aah... I'll be living here with seiya from today onwards!

I thought I told you to break up with her
Well
It was so sudden
Hey
Why are there still women's stuff here?
For now, I'll put my clothes here
Send it to her parents house, then!
I told her I'd let her keep her stuff here
Until she found a new place

Throw it out then!
Throw it out right now!!
JAMAICA
She has no parents...
So...

I'm going out to work, now...
Yeah
It's our first day living together too

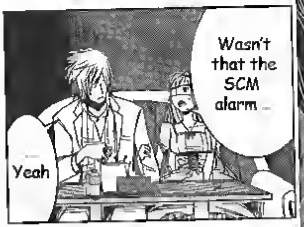
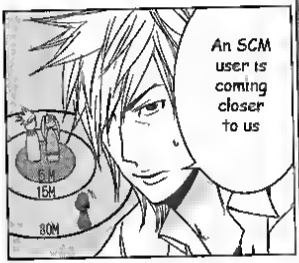
Ah, Seiya
A man that is working looks so cool!
...Sorry for being late...
It's alright
Do you want to drink something?
Yeah, okay...



Wasn't that the SCM alarm...
Yeah

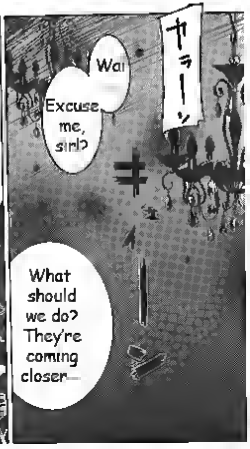


An SCM user is coming closer to us
5M
15M
80M

キュィーン

Are you two Shinjuku Seiya and Toshima Ayaka?

キュィーン



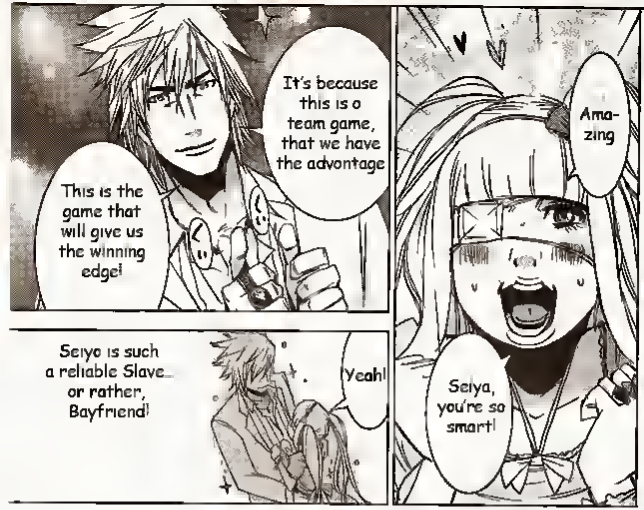
ヤラーン
Wai
Excuse me, sir!?
What should we do? They're coming closer...

I'm Oota Yuugai
I am Arakawa Eiya
Phew!

You guys are already in a master-slave relationship, right?
Which of you is the master?
What the hell is with these guys!? Why do they know so much about us, and the SCM's? What.. a duel? I'm the master but
Eiyo and I are SCM users who are not tied to anyone
We have come to request a Duel with you

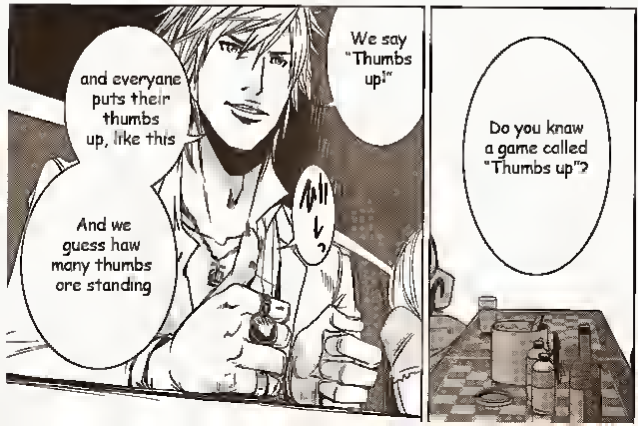
I'm sorry, But I will not accept your Duel request
I am the master
Don't say that yet,
Think about it before you answer
Oota, Arakawa team, and Shinjuku, Toshima team
I want to do a team match, with all 4 of us
The winning team gets the losing team as a slave
A team match?
And the game can be anything that we can play right here, right now
Of course, you guys can choose what the game will be

Please give us some time
キィーン
I've felt the vibrations a while back, near the shop, a couple times...
They've been scoping us out, they even called us by name
Seiya... What should we do!?
Should we run?
...No
Then, what should we do?
Don't worry, I've got an idea
Ayaka, give me your ear
Huh



It's because this is a team game, that we have the advantage
This is the game that will give us the winning edge!
Amazing
Seiya, you're so smart!
Seiya is such a reliable Slave... or rather, Bayfriend!
Yeah!

It's okay, we will definately win!

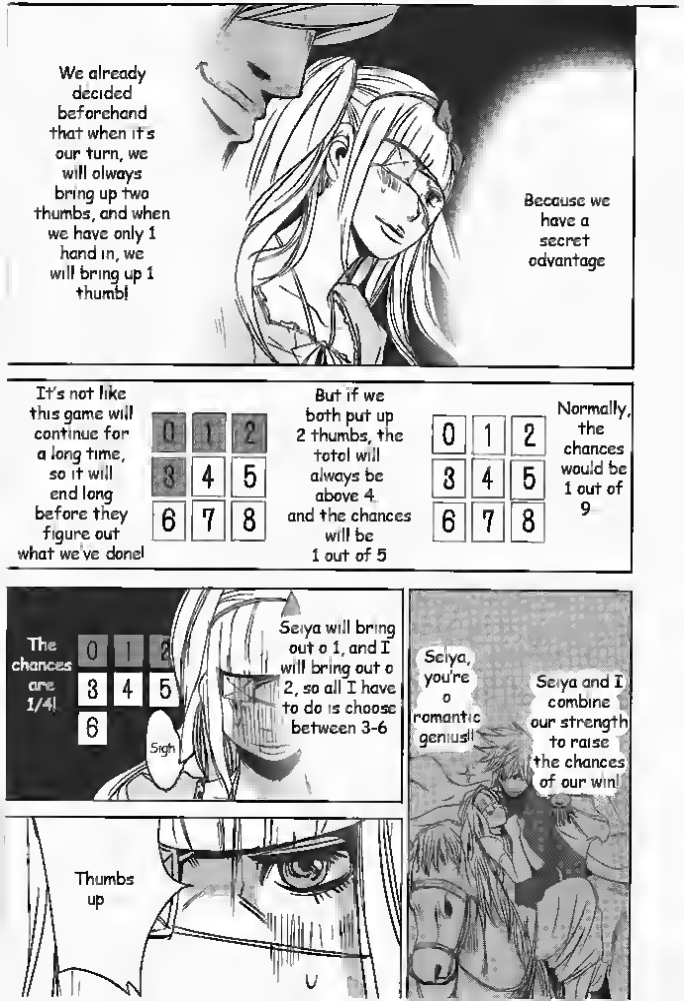


We say "Thumbs up!"
and everyone puts their thumbs up, like this
And we guess how many thumbs are standing
Do you know a game called "Thumbs up"?

In other words, if you guess correctly, twice, you leave the game as a winner
If you with-draw both hands,
Thumbs up! 1!
WINNER!
And you win
LOSER
Yes!
Thumbs up! 3!
If your number matches those that are up, you can withdraw a hand
0
1
2
The numbers we can show, is 0, 1 and 2
So with 4 people, it'll be anywhere from 0-8, 9 choices in total
Yes, that's right
So if we get to a single person with a hand in their game, that team is the winner?
I see
Sure, that's fine
I'm not a normal person, so
Isn't it normally clockwise...?
Lets' have it start with Seiya, and go Counter-clockwise
Ha ha
1
2
3
4

Well then, let's start
カチ
Thumbs
Up....

Aha! Amazing, Seiya!!
6!
So, I'm next..
4!
Thumbs up...
*It's my turn now
—But i'm alright!!
Thumbs up
1
Pfft— Eiya, Don't worry bout it
Eiya, you're next
Hehe, I got it
I know!



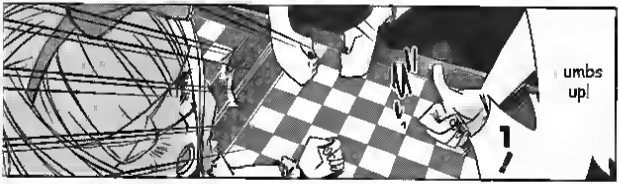
We already decided beforehand that when it's our turn, we will always bring up two thumbs, and when we have only 1 hand in, we will bring up 1 thumb!
Because we have a secret advantage
It's not like this game will continue for a long time, so it will end long before they figure out what we've done!
0 1 2
3 4 5
6 7 8
But if we both put up 2 thumbs, the total will always be above 4 and the chances will be 1 out of 5
0 1 2
3 4 5
6 7 8
Normally, the chances would be 1 out of 9
The chances are 1/4!
0 1 2
3 4 5
6
Sigh
Seiya will bring out o 1, and I will bring out o 2, so all I have to do is choose between 3-6
Seiya, you're o romantic genius!!
Seiya and I combine our strength to raise the chances of our win!
Thumbs up

Shinjuku Seiya
First one to retract both hands
Al-right!
Yay, Seiya, You're out!!
Just as we planned!
Now, all I have to do is to win
ノ
セーフ
Thumb's up
3!!
3!
やった!!
Yeah!!
Our team has a 1 hand lead!
セイヤ イッキに決めちゃって!!
*Seiya, finish it off!!

Sei...
ya....?

But this plan...If I'm alone... Doesn't it lose any meanin!?
Huh?

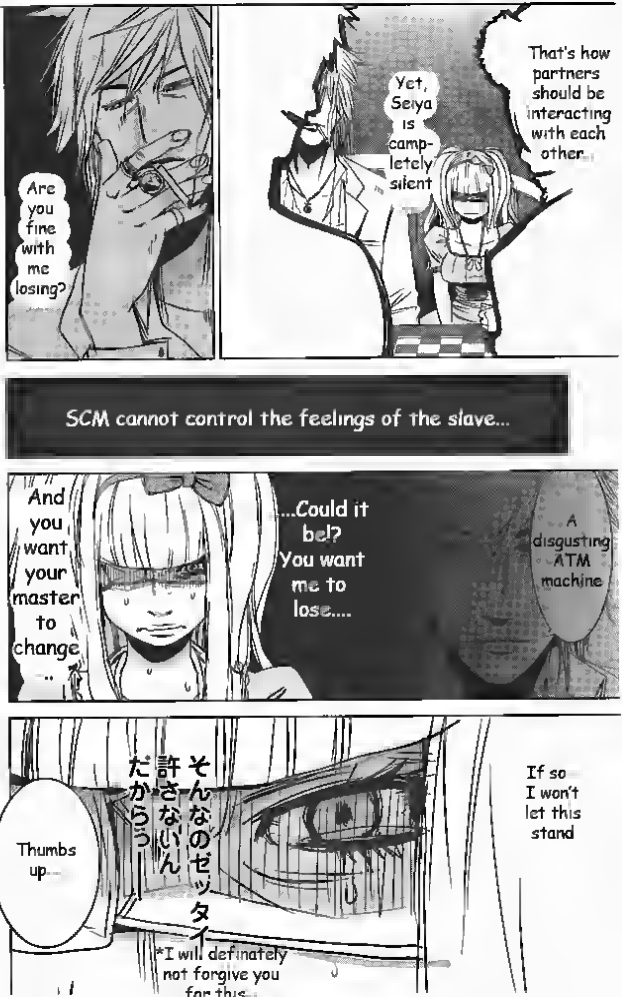
What should I do...?
シュボッ



umbs up!

Shut up!
Well, good luck on trying to win!
That's how it's supposed to be like.

Alright! I'm out!
Oota Yuuga, Second person to leave



Are you fine with me losing?
Yet, Seiya is completely silent
That's how partners should be interacting with each other...
SCM cannot control the feelings of the slave...
And you want your master to change...
...Could it be!? You want me to lose....
A disgusting ATM machine
Thumbs up...
そんなのゼッタイ許さないんだからっ
*I will definately not forgive you for this
If so I won't let this stand

What's with this girl...
I will not lose to such a girl!!!
So full of confidence
2!
Ah!?
No one will get in my way!!
I've finally gained my dream life of living together with Seiya!
I will! win! I will definately win!!
Up....

I Won
Ah

Mine now!
With this, everything is—
I won
I will never let you go, Seiya!
I'm giving you an order!
Kneel down before me!!
You're my slave, right!!
Come on, hurry!
?

Huh?
Thanks to our match, I've learned quite a bit about the SCM's
Thank you
The last person to lose, their team will become the slove of the winners!
Huh?
I won! You saw it!
We didn't lose to you
"It appears"? What the hell does he mean by that?
But it appears as though we didn't lose to you
That's right

This match of ours was the first match i've played
So I wanted to try out some stuff with the SCM
The benefits of group matches,
and what is required for victory
Although the SCM is aware of our situation,
It's not made to be very complex
It can only roughly be aware of two types of states
One, is...
That a duel has begun,
And the second,
The feeling of losing
The feeling of Losing?

Well, in other words, if you get your opponent to feel that he's lost, you've won
On the flip side, if you didn't think you had lost, then you won't become a slave
Brain
I will become your slave
I lost
SCM
The fights between SCM users, is one of mentality
What's important, isn't losing, but rather, the feeling of loss, felt by the SCM user
?
...Are you saying
Haha
Although it's true that Eiyo is always acting cool... That's not it!
That Eiya-san is a person who doesn't feel any sense of loss, ever...?
Huh?
It's simple, really
Besides, Eiyo was never a part of this game from the beginning

Eiya never have an SCM equipped on her from the start

Eiya, who isn't bound by the rules of the SCM,
No SCM, and will not become a slave of lust
SCM user
will move to get me to win, no matter what
Furthermore!

Huh?
But— That can't be—

Eiya gave me o signal,
As to how many thumbs she was going to put up!

Who was the last to lose, was.....
And the last person with an SCM on,
You
Toshima Ayoka-san
That can't be.... Eiya never had an SCM on her from the start... And the last one with an SCM on, that lost that match, was me....
Eiya is the ultimate partner,
That will lead me to victory
